

Discount For Waste Minimisation at Cavendish Conference Venues:

As part of our commitment to the environment the principals of which are laid out in our Environment Policy Statement we are trialling a plan to offer clients an incentive to reduce the amount of waste left at the centres at the end of an event.

Our Commitment to you:

- We are offering clients a £2.00 net discount over and above their agreed day delegate rate if they leave one standard refuse sack or less of waste at our centre.
- For those clients on a room hire charge we will offer a £100 discount off the agreed rate again if they leave one bag or less of waste.

Your Commitment to us:

- We will charge a surcharge of £1.00 net per delegate if more than one bin bag of waste has been left.
- On a room hire basis we will levy a surcharge of £75.

- If you would like to be involved in this trial please call Tom Mayers on 0207 706 7700 or email tom@cavendishvenues.com
